

Apopka Area Chamber of Commerce

Apopka Conservation and Energy Expo February 26, 2011

The *Apopka Conservation and Energy Expo* is a half day community event designed to promote water and energy conservation through vendor demonstrations, workshops and children's activities.

This event is a unique opportunity for your business to increase consumer awareness of the products and/or services your company offers consumers. It is being aggressively marketed to over 20,000 commercial and residential utility customers serviced by the City of Apopka.

Event promotion has already begun and includes the following forms of media:

- **Direct Mail, Electronic Marketing**
- **Educational Campaign targeted for children**
- **Print advertising in local newspaper**
- **TV and Radio**
- **Social Media – Facebook, Twitter, etc.**

When you purchase an exhibit booth, you will receive an 8' x 8' space, one table, two chairs and table covering. Should you need electricity, please advise the Chamber as soon as possible. Electric is limited and there is an additional cost.

Time: 9:00 am to 1:00 pm

**Location: Northwest Recreation Complex (outside)
3710 Jason Dwelley Parkway, Apopka**
